

Pay Tuition While You Shop!?

Picture this: You make your weekly sojourn for groceries. You fill your basket with everything your busy family needs and head to checkout. Your selections are rung up and bagged, and you pay a grand total of \$250. Guess what? 3% of your purchase went towards your tuition at TC Christian. On the way home, you fill up with gas and grab a pizza which means more money added towards your tuition. How is this possible?
